STANDARD INTERNATIONAL DIRECT-DIAL RATES

Effective Date: July 1, 2008

These rates are the RGTS international direct-dial standard rates per minute, and may be changed, and/or discontinued at any time by RGTS. Rates may be discountable to certain customers, depending upon call volumes, term commitments and other special circumstances. Rate Per Minute is for calls terminating on landlines only. Mobile Rates are for calls terminating on mobile and other wireless devices. If no Mobile Rate is specified, all calls will be charged at the Rate Per Minute.

Calls are timed beginning when a number is dialed and an outgoing trunk line is seized, and ending when RGTS receives a signal that the seized trunk line has been released.

Rates for calls to Canada are based on mileage. Rates for calls to Mexico are based on mileage from the US calling location to the Mexico border, and then on bands from the Mexico border location to the called telephone number in Mexico. The total charge includes both the US mileage rates plus the Mexico band rates.
